

Meet Josee- TR Summer Student

Please join us in welcoming Josee to our team! Josee is completing an 8-week placement with the Therapeutic Recreation Department and will be helping to provide additional activities and programs for tenants and residents throughout the summer. Be sure to check the monthly calendar for all the exciting activities she will be leading!

Josee is a graduate of the Kinesiology program at Western University and has also earned her Occupational & Physio Therapist Assistant diploma from Niagara College. In her spare time, she enjoys playing soccer, staying active, and spending time outdoors.

We are excited to have Josee with us this summer and look forward to the positive impact she will have on our community!

Preacher's Ponderings

Through the month of July, the lectionary readings continue the stories of the Patriarchs, Abraham, Isaac, Jacob, and Joseph, found in Genesis. What stands out is their humanity--they are just like us: at times deceptive and cunning, and at others, jealous, confused, or frustrated. They don't always make good decisions and often need God's interventions. But I think that is the point. Though they are characters in the plot, the ultimate story belongs to God and His faithfulness to his plan to bring redemption to the world which, in Genesis, involves ordinary people. May we see ourselves in this light: people caught up in the story of God as He reveals His faithfulness in us.

Radiant Care Day- Thank You!

A heartfelt thank you to everyone who came out to celebrate RC Day in June! The weather was beautiful, and it was wonderful to see residents enjoying the day outdoors with their families and friends.

From the games and animals to the music, delicious food, and many activities, there was something for everyone to enjoy. The smiles, laughter, and community spirit made the day truly special.

Thank you to all who attended, volunteered, and helped make the event such a success. We look forward to seeing you again next year!
