Meet Natasha Persaud- Director of Care

I wanted to take a moment to introduce myself to those whom I have not yet had the chance to meet! My name is Natasha Persaud. I am a proud graduate of the Bachelor's of Science in Nursing Program at Brock University. I have been working as a Registered Nurse in the Niagara Region since 2014. I began my career as a Charge Nurse, then moved into the role of ADOC, and have been working as a DOC since 2024. I began working at Radiant Care in September 2025, and since then, I have had the joy of getting to know the staff and residents. One of my passions is resident-centered care, and I strongly believe that residents living in long-term care should always be treated with dignity and respect. Outside of work, I am a wife and mother to two boys aged 7 and 9. My evenings and weekends are filled with driving my kids to and from sports and spending quality time with my family. I moved to the Niagara Region in 2012, and I absolutely fell in love with everything Niagara has to offer especially all the beautiful hiking trails. I look forward to continuing to grow in my position and my commitment to ensuring the residents at Pleasant Manor receive the highest quality care possible. Thank you for your support thus far, Pleasant Manor truly feels like home.

Thanks-Living

Surely goodness and mercy shall follow me all the days of my life. (Psalm 23:6)

I know of a woman who started what she calls a 'thanks-living jar.' Each evening, she writes on a small piece of paper one thing she thanks God for and drops it in the jar. Some days she has many praises; on other difficult days she struggles to find one. At the end of the year, she empties her jar and reads through all the notes. She finds herself thanking God again for everything He has done. How He had given simple things like a beautiful sunset, or a cool evening for a walk in the park, or the times God had provided grace to a handle a difficult situation, or how He had answered a prayer. Maybe we, too, should consider making a *thanks-living jar*. I think we'd see that we have so many reasons to thank God – and that the goodness and mercy of God truly does follow us all the days of our lives.
