Do All the Good You Can

"Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up." (Galatians 6:9)

Each fall, my mother would put the following words of John Wesley on a bulletin board display in her grade 3 classroom. She also hung a framed picture of the words on the wall of our living room. John Wesley penned, *"Do all the good you can, by all the means you can, in all the ways you can, in all the places you can, at all the times you can, to all the people you can, as long as ever you can."* Those words struck a deep chord with my mother, and they continue to speak to my heart today.

Pumpkin Contest

Each home area showed off their creativity by decorating a pumpkin for our first annual Pumpkin Decorating Contest! Residents and staff had fun bringing their ideas to life, and everyone enjoyed seeing the festive creations. Congratulations to RHA 3 East, our winning home area! Thank you to everyone who participated and helped make this a fun fall activity!

Satisfaction Survey Time!

It's time for our annual satisfaction surveys! We value feedback from both our residents and their families, as it helps us understand what we are doing well and where we can continue to improve.

Families will receive a link to complete their survey electronically. Therapeutic Recreation staff will also be assisting residents with completing their surveys electronically to ensure everyone has an opportunity to share their thoughts and experiences.

Therapeutic Recreation Update

We are excited to announce that tenants will now have a dedicated Therapeutic Recreation staff member providing programs and activities! This means you will see more activities added to the monthly calendar, with even more opportunities to socialize, try something new, and have fun together. This month, we will be featuring a variety of games, slideshow presentations, crafts, and other engaging activities for everyone to enjoy.

Please join us in welcoming Sophie, our Therapeutic Recreationist! Sophie is looking forward to meeting everyone, getting to know your interests, and planning activities that you will love. We apologize for missing the travelogue to Czech Republic but have rescheduled it for November!

Be sure to check your monthly calendar for upcoming programs and come out to say hello to Sophie. We look forward to seeing you there!
